•

In appreciation of their sincere interest in our welfare and their help and encouragement during our high school career, we the class of '45 wish to dedicate this book to our sponsors, Miss Eda Margaret Barnes and Mr. Albert R. Sabin.

In Memoriam

To all Goshen High School students who have made the supreme sacrifice . . .

Who more than self their

And mercy more than life!"

The Sun-rising Day

A sad, chaotic life,
Hungry, rent with strife
And covered over
With a misty fog of terror —

There is little of joy and peace,
Little of happiness to lease.
Is there little left for our catalog?
A sun must be found that will pierce the fog!

We must live and work;
Give, not shirk;
We must think; we must pray
For the sun-rising day.

Is there little left for youth to do?
That mist must be pierced through!

—ESTHER SHANK.

The Guidance Program or — — Show Us The Way To Go Home

At this point in your literary travels, dear readers, you are apt to be under the false impression that students of G. H. S. are always in accord with the policies of the "front office." Not meaning to do anything so drastic as to destroy your faith in human nature or shock your belief in the evolution of mankind, I am forced to inform you that this is not true!

For example, we of the class of '45, have been forced this year to endure a new nemesis, a distasteful brainchild of our faculty, served to us under the alias — "a guidance program." The initial phase of this program was to familiarize the inmates — oops, we mean students — with the details of parliamentary procedure. This was accomplished by an extensive copying of outline and a boisterous practice of the procedure in class which produced the following results: first, an extreme number of hospital cases due to a severe epidemic of writer's cramp; second, an increase in punctures from rising and sitting on points of order; and third, a series of emotional outbursts in class that caused six nervous breakdowns among teachers, property damage of $15,000 (incredible, isn't it?) and the banishing of one boy who made a motion that Indiana secede from the Union.

After running the gauntlet of this chaos, we were still faced with the second part — a number of tests which determined everything from the price of butter to the age old question, "Which came first, the chicken or the egg?"

These tests seemed to have a negative effect upon the morale of the student body. For instance, the results of the I. Q. tests were so low that the State Department wired back asking if the reports were from the high school or the local dog pound. Again, after taking the personality tests, (to determine what type of person you really are), one boy found that he was not a boy at all, but in reality a one-celled amoeba incapable of being alive; whereupon, he vanished into thin air and was never again heard from. Another test, determining the type of work you are best suited for, had a remarkable effect, for after taking this exam three senior boys left school to work at the recommended jobs. They are now gainfully employed as follows: One is a successful "wolf" in the Brookfield zoo; one a sandbox salesman in the Sahara Desert; the third a street cleaner in Venice.

Thus is the plight and plague of G. H. S. students, and as we seniors graduate, the only consolation that we have is the fact that all others will have to undergo the same humiliation and torture.

JOHN TAYLOR.

Auto Mechanics

The Auto Mechanics Department became a part of the high school curriculum in Goshen in 1923. Although there were some doubts then as to the success of such a department, it has more than proved its worth in the ensuing years and is now a most important part of the school curriculum.

New equipment was installed in the department this year; and it is considered one of the best-equipped auto mechanics departments in the state.

The boys who take this course are selected from the senior class. There is a great demand for boys to work in places doing mechanical repairs; and the department has never been able to fill all these demands. Of course, the boys are not mechanics after completing this course, but they have acquired a foundation upon which to build a successful trade as an auto mechanic.

The band began its year of activities by marching at all the home football games and continued its support of the athletic schedule by playing at the basketball games and at several pep sessions. On March 4 a concert was given, which featured several soloists and student directors. Also a half-hour's program was given for the Farm Bureau Association on February 27. On April 21 the band competed at Elkhart in the solo and ensemble Music Festival.

Dramatics, for the first time in seven years, is again a part of the Goshen High School curriculum. Our dramatics class is taught by Miss Mary Vandenbark, a new member of the faculty of Goshen High School.

The members of this class decided to form a dramatics club for the purpose of furthering dramatic art and play production in school. Officers were elected and a constitution was drawn up and accepted.

It was agreed upon that all dramatics class members would be the nucleus of the club.

Tryouts were then held and fourteen persons were accepted for membership from the upper three classes. With the club thus formed, the name, "Footlights Club," was given to the organization. Thus far, the club has given two productions for civic bodies and also has presented a short play before the student body and faculty.

"Published the third Friday of each month and distributed free to the students and faculty of Goshen High School," the Tomahawk is the pride and joy of the thirty-five juniors and seniors of the staff. Current news about school, feature write-ups, jokes and the monthly editorials are all a part of the newspaper's contents. Special issues were the Christmas issue with a cover in green and red, the red-white-and-blue patriotic issue for February, and the traditional junior issue published in March. All the work on this paper was done by the junior members of the staff.

Tomahawk week is a busy one for everyone, from editors to mimeograph experts; but the satisfaction that comes with seeing a completed paper is recompense enough for the hard work and anxiety that accompany the putting out of the Tomahawk.

Football 1944

TIGERS CLAW REDSKINS

The G. H. S. Redskins opened an unsuccessful season on Foreman Field with a loss to the Warsaw Tigers. The Redskins were handicapped with inexperienced players and could not compete with the Warsaw veterans who scored in the first and fourth periods. The Red Menace threatened in the second period, but failed to reach pay dirt. Warsaw—12; Goshen—0.

REDSKINS SCALP CENTRAL CATHOLIC

The Red Menace journeyed to School Field to earn their first win of the season over Central Catholic of South Bend. The Redskins stopped Central Catholic's ace passer, Jack Voss, and fought on for two touchdowns. Scores were made by Junior Long and Ronnie Snoke. Goshen—13; Central Catholic—0.

JOHN ADAMS BEATS GOSHEN

Coach Welborn and crew returned to School Field only to lose a hard fought game to the John Adams' Eagles. The teams fought to a stand-still the first three periods, but in the final period John Adams scored two successive touchdowns. The Redskins fought to earn a touchdown and were marching downfield for another as the gun cracked. Chapman made Goshen's only touchdown. John Adams—13; Goshen—7.

MICHIGAN CITY DEFEATS REDSKINS

Goshen traveled to Michigan City to play one of the best games of the season, even though Steinheiser and company scored two touchdowns in the first five minutes of the game. Goshen fought on even terms with the powerful Red Devil line-up the remaining time. Dick

Kauffman scored for Goshen late in the fourth period. This was the last game of the season for George Hay who received a knee injury. Michigan City—22; Goshen—7.

MAROONS PAINT GOSHEN

Goshen returned home to be host to Mishawaka. Weak line play spelled defeat to the Goshen eleven as Gene Huggett and company smashed the home team. Mishawaka scored three times in the third period. Mishawaka—39; Goshen—0.

SLICERS CUT REDSKINS

Goshen continued to slump as they suffered defeat at the hands of the Laporte Slicers. The Redskins gained 232 yards to 190 for the visitors, but "fumble-itis" gripped the Goshen team. Jr. Long made Goshen's only tally. Laporte—26; Goshen—6.

GOSHEN DE-RAILS RAILROADERS

Goshen scored its second victory of the season, easily defeating the Garrett Railroaders. The Redskins line proved too tough for the visitors. Jr. Long and John Shannahan scored for the home eleven. Goshen—13; Garrett—0.

BLAZERS BURN GOSHEN

The Red Menace ended a poor season with a defeat handed them by Hoffman and crew of Elkhart. Fumbles, penalties, and pass interceptions aided the Blazers' victory. The following senior lettermen saw action for the last time: Tom Garman, John Shannahan, Ronnie Snoke, Gordon DeWilde, Harold Lantz, Don Metzler, and co-captains, Don Ulery and Bob Bowman. Elkhart—32; Goshen—0.

Basketball 1944-1945

REDSKINS WIN OPENER

With eight varsity lettermen back the Redskins opened their 1944-45 basketball schedule with an impressive 54-31 win over the Concord Minutemen. Goshen jumped off to a 19-0 lead and went on easily to win.

GOSHEN TROUNCES CUBS

The following week the Redskins journeyed to New Paris to play the Cubs and trounced the home team 49-28. Eddie Blough and Dick Hamlin led the G. H. S. attack, scoring twenty-five points between them.

G. H. S. WINS AGAIN

Staving off a last quarter rally the Redskin five nosed out the visiting Warsaw Tigers, 35-33, for their third win of the year. The scoring was evenly divided between Hamlin, Lindhorn, and Blough.

WIN FOURTH STRAIGHT

The Redskins won their fourth straight contest of the year against the Wakarusa Indians, 46-34. After three quarters of see-saw ball, the Redskins scored 21 points in the last quarter to put the game on ice.

SUFFER FIRST DEFEAT

Playing sluggish ball the Redskins suffered their first setback of the current year, 49-43, at the hands of the John Adams' Eagles. The Eagles built up a 26-10, half-time lead and the Redskins came back to play superb ball the second half, but the margin was too much to overcome.

MAROONS BEAT GOSHEN

A cold band of Redskins journeyed to Mishawaka to be beaten by the Maroons 34-29. The Goshen lads just couldn't hit the iron ring. Only Dick Pickering, reserve forward, played good ball scoring seven points and playing the best game of his career.

DEFEAT VETERAN JIMMIES

The Goshen Redskins came back home after a two-week's absence to defeat a veteran Jimtown team 53-32. Outplaying the Jimmies every quarter the Redskins won easily. Dick Kauffman led the attack, scoring thirteen points.

WIN SIXTH GAME

A third quarter rally enabled the Redskins to gain a 38-35 victory over a stubborn Nappanee Bulldog quintet. Three Redskins tallied eight points apiece in the game. They were Eddie Blough, Wayne Larrabee, and Dick Kauffman.

BEATEN BY RIVALS

The undefeated Elkhart Blue Blazers visited our gym on December 16, and went back home with a 31-29 win over our Redskins. Goshen held a 15-11 halftime lead but a third quarter rally by the Blazers enabled them to win.

FIRST CONFERENCE VICTORY

Goshen traveled to Fort Wayne three days before Christmas and presented Coach Evans a Yule gift by trouncing the North Siders 39-22, also gaining their first

conference victory of the season. The Redskins played their best brand of ball, as Sophomore, Arthur Chapman, rang up fifteen points to lead the G. H. S. attack.

LOSE CLOSE ONE

In the Michigan City gym, the Redskins closed their 1944 portion of the season with a loss to a strong Red Devil quintet 36-35. An exciting last quarter saw the Redskins rally and pull up with the Red Devils only to lose out on a last second free throw by Norm Peckat.

GOSHEN LOSES THRILLER

The LaPorte Slicers were our opponents as we opened the 1945 half of the season. The Slicers edging out a 42-38 win over our Redskins who were victims of last half letdown.

LOSE THIRD STRAIGHT

Charlie "Tug" Finger and a band of Central of South Bend Bears handed Goshen their third straight loss by a score of 50-40. Finger set a new scoring record for the G. H. S. gym by tallying a total of twenty-five points against the Redskins.

NOSE OUT BULLDOGS

The following week the Redskins nosed out the Nappanee Bulldogs 22-20 on a last second basket by Eddie Blough. The Naps attempted to play a ball control game with neither team taking a shot the first five minutes of the third quarter.

SCARE RILEY POWERHOUSE

A much improved Redskin tribe almost pulled the upset of the year, but lost out in the closing seconds to the strong Riley of South Bend five 32-30. Missing ten freethrows, plus two quick baskets by the Wildcats just before the half ended, proved fatal to the locals.

WIN NINTH GAME

The Redskins added their ninth scalp of the season by downing Washington of South Bend 37-25. A zone defense proved too tough for the Panthers to break. Wayne Larrabee paced the Redskins attack, registering sixteen points.

LOSE IN OVERTIME

The Redskins played their rivals, Elkhart, in the E. H. S. gym on February 9, and lost a heartbreaker in an overtime 27-25. Once again a third quarter jinx proved fatal to Goshen, as Elkhart erased a five-point Redskin lead. A basket and freethrow in the overtime won the game for the Blazers.

TWO POINT JINX

For the fourth time this year the Redskins lost by two points. This time it was the Middlebury Middies turning the trick by downing Goshen 44-42. Early in the third quarter Goshen held a 30-17 lead but the Middies got redhot and the final quarter proved to be the most exciting ever witnessed in the G. H. S. gym.

THE SEASON FINALE

The Redskins closed their hardwood season at Elkhart on February 23, in the annual sectional tourney.

On Friday afternoon they defeated the Bristol Pirates 34-29 in a nip and tuck battle. That evening the Elkhart Blue Blazers downed the Redskins for the third straight time this season by a score of 37-26. Wayne Larrabee was the only G. H. S. regular up to par as he scored eleven points and played his best all around game of the year. This game was the last for six members of the varsity, they were Wayne Larrabee, Eddie Blough, Dick Hamlin, George Culp, Milton Lindhorn, and Cecil Miller.

The Redskins thus finished the season with a record of 10 wins and 10 losses.

With four members of the first ten back and a few good reserves, it looks as though the Redskins of next year will have a fairly successful season. We, the class of '45, wish you the best of luck, and want you and future Redskin teams to know that we will always be pulling for you.

BLOUGH WINS TROPHY

Capt. Eddie Blough won the freethrow trophy presented every year by Coach Evans for the player who has the best percentage from the seventeen-foot-line. Blough made 43 of 62 charity tosses for a .694 average to win the award. Arthur Chapman, sophomore reserve hit 13 of 18 foul shots for a .722 average, but was not eligible for the trophy because it takes a total of 20 attempts to qualify. Previously Dick Mick and Dick Hamlin had won the trophy.

PALEFACES WIN SEVEN GAMES

The Goshen Palefaces won seven of their seventeen scheduled games this year. Defeating such foes as New Paris, Warsaw, Wakarusa, John Adams, Nappanee, Washington, and Middlebury, while losing to Concord, Mishawaka, Elkhart twice, Jimtown, LaPorte, Central, Riley, Nappanee, and Millersburg varsity.

Scoring for the reserves was led by Dick Koch, who tallied 89 points, while sophomore, Sonny Brooks was second with 78, Ray Rockenbaugh 26, Junior Heeter 21, Junior Cripe 15, Milton Lindhorn 8, Arthur Chapman 6, Larry Lewallen 5, Cecil Miller 3, Floyd Miller, Keith Wogoman, and Paul Yoder 2 each, Charlie Morse and Lowell DeFreese got 1. Chuck Lewallen, John Hay, Don Robinson, Jack Fult, Phil Stotts, Doug Weaver, and Kenny LaRue played, but failed to score.

TWELVE AWARDED LETTERS

Ten players and two managers received their G's for the 1944-45 hardwood season.

The boys decided on white sweaters with red chevrons and the following boys were presented with sweaters:

Two-year lettermen included seniors, Wayne Larrabee, Eddie Blough, Milton Lindhorn, Dick Hamlin, and George Culp. Don Martin, Dick Kauffman, and Larry Lewallen, underclassmen, also were two-year men as was senior manager, Dick Swartz.

One-year lettermen were Cecil Miller, Arthur Chapman, and manager, Hal Doriot.

LARRABEE LEADING SCORER

Wayne Larrabee, tall senior center of the Redskins led the varsity scoring for the season with a total of 142 points. Eddie Blough with 127 and Dick Hamlin with 113 were the only other members to hit the 100 mark. Scoring for each member of the varsity for the season of 1944-45 is as follows:

	G	FG	FT	PF	TP
Larrabee	19	54	34	40	142
Blough	20	42	43	41	127

CROSS COUNTRY TEAM

The Goshen Red Ramblers had its most successful cross country season in its history. They won 4 of 8 contests. The Ramblers beat LaPorte and Nappanee twice while losing to Elkhart and Mishawaka twice.

Jerry Rarick, freshman, brother of former G. H. S. track star, John Rarick, earned the rating as No. 1 man on the cross country team. Other members on the squad who were awarded letters by Coach Evans were seniors, George Culp, John Bechtel, Walter Stump, and Wilbur Myers; Robert Koch and Martin Kinney, juniors, while Rarick and Ed Sullivan were the only two underclassmen to win their G's.

D. S.

Under the sponsorship of Miss Hewitt, the fifty-seven girls of the G. A. A. enjoyed a profitable and interesting year of activities. One of the outstanding events of the year was the "Gingham Hop," an informal dance for the members. Also, the club had charge of the gym each Tuesday night, at which time the girls could compete in organized sports such as basketball and volleyball.

"YOUNG APRIL"

By Aurania and William Spence Rouverol

This delightful comedy was presented by the Senior Class on May 3. Terry McIntyre (Marjorie Bates) had considerable trouble choosing the "right man." In fact, she almost made a serious mistake, but the kindly intervention of Mother (Wilma Carpenter) and Dad (John Taylor) saved the day. Terry's older brother, George (Ronnie Snoke) suffered a disillusionment in love concerning Diane (Miriam Haberstich) but finally began to grow up and adjusted himself to realities. George and the others found love's young dream could be a lot of *fun* to *everyone* but the *victims*.

Others in the play were: Brian Stanley (Edward Ogle); Elsie, a book worm (Mary Lou Jessup), Vivian (Mariellen Winters), Bert Parsons (Richard Pickering) — the sophisticate — the poseur; Stewart Miller (Douglas Van Hemert) — a "Mother's" boy; Mrs. Miller (Mary Helen Pease) — Stewart's "dear Mama"; Dutch (Gene Holwerda), Pete (Ray Hoover), Jane (Betty Strycker), Mildred (Joanna Trimmer).

The play was directed by Miss Vandenbark.

PUTTING THE *Sting* IN THE BOFORS

"Pride of the Navy," is the well-earned title of the mighty Bofors cannon. Enemy aircraft find it almost impossible to penetrate the protective fire of these guns. Part of our war-time work at Penn is to provide the solenoids which "sting" the Bofors to action, firing 120 shells a minute from each gun.

In addition, Penn builds for the Navy complete electrical control circuits consisting of electric cables, junction boxes, snap switches, transformers, fuses and solenoids. These lighting and firing circuits are used on 3″ and 5″ guns carried by naval vessels as well as cargo ships. The fate of a ship and its crew . . . perhaps the safety of a convoy . . . or even the outcome of a battle may hang on the speed and dependability of these electric controls.

For the Air Corps, Penn manufactures special solenoids for firing guns mounted on some of the latest type Navy fighter planes. Also produced by Penn are periscopes used in Army tanks. Yes, land-going battleships do have periscopes. These "eyes" of the tanks are important added protection for the courageous crews who man them. They give full vision in all directions and eliminate vulnerable portholes in the defensive armor.
